

# HOW TO PLAY BANDYLAND!

**(EACH SPACE ON THE BOARD IS 30 MINUTES OF PRACTICING!)**

1. Practice, practice, practice!  
(only at-home and/or private teacher minutes count...no time from school lessons and rehearsals!)
2. Completely fill out your practice log for the week  
(every day must be filled out with something, even a zero if you didn't practice!)
3. Your practice log must have a parent signature  
(Remember, we've been band teachers a loooong time...we know what parent signatures look like! BE HONEST!) 😊
4. Color in the spaces on your board using the BandyLand marker!  
(This will only be done in lessons after your teacher has checked your completed and signed practice log!)
5. Reach the end, and get a special musical prize!!!  
(Good luck, and GET PRACTICING!)
